

YOUR **DELIVERY** SOLUTION FOR **1 TO 6 PALETTES** **FRANCE & EUROPE.**

Reliable, competitive and innovative, VOLUPAL is the best answer to the growing demand from the manufacturers for delivery of small loads of 1 to 6 palettes.

5 GOOD REASONS FOR CHOOSING VOLUPAL

- ▶ **Reactivity** towards our clients thanks to daily departures and short lead times in France and Europe.
- ▶ **Cohesion** in the quality of service that we offer our clients whether they are in France or Europe thanks to standardized operational procedures.
- ▶ **Rationalization of your transport budget** thanks to the massification of your flow in France and Europe.

- ▶ **Reduction of the environmental footprint** thanks to the optimization of the filling rates of the trailers.
- ▶ **Traceability** of your shipments in real time.
- ▶ **Proximity of your contact** in a wide dense national network.

A STRONG COMMITMENT TO **QUALITY**

« Our network associates standardized operational procedures over the whole of Europe and our members' local knowledge, monitored by weekly quality performance indicators ! »
